

Dear Jewish Standard Readers:

Thanks so very much for choosing me as the #1 Gastroenterologist for 2011. I am honored by your selection.

It is tremendously rewarding to have been recognized in our community for distinction and excellence in my chosen field. Living, working and raising children in Bergen County has brought me many joys. My relationships with my patients are very important to me and I pride myself on being a hardworking, dedicated, competent and compassionate physician. I am grateful for your continued confidence and support.
